- **New fun interactive photo booths with 3 play modes.**
  - **Quick mode** – Traditional photo strips in color, sepia, black and white.
  - **Fun mode** – Photos customization with stylish borders, hilarious stamps & freehand graffiti.
  - **Theme mode** – Experience body morphing fun by superimposing face on a range of cartoon characters.
- **Instant high quality 4” x 6” photos from superior dye-sublimation printer .**
- **Download photos to mobile phone feature.**
- **Coin, note acceptor & swipe card ready.**

# FEATURES OF STARBLITZ

Renowned Carl Zeiss lens for sharp images

Simple touch-screen interface on a 17" LCD monitor

Print or download photos to your mobile phone via Bluetooth connections

Decorate photo with LAI Games' exclusive stylus. Great for personalized graffiti.

High capacity dye-sublimation printer stores up to 600pcs of 4"x6" glossy postcards

# WHAT OPERATORS WILL LIKE ABOUT STAR BLITZ?

- **Simple to Operate:** No complicated components make operations and training easy.
- **Fully Automated:** No supervision required, guests can have fun instantly.
- **Large Capacity Printer:** Holds up to 600 sheets per roll; Reduces the frequency of loading photo papers – No operation disruption!
- **No Media Tie-in:** This means increased profits! Based on rates from a typical online retailer who charges \$0.16/frame vs. a photo booth competitor who charges \$0.74/frame for the same media. It is over 70% in savings!
- **Low Maintenance Costs:** In fact, it's almost zero maintenance. The only maintenance required is loading photo papers and ink cartridge.
- **Adjustable Operators Settings:** Set number of pictures, time play settings and free play option are available.
- **Operators will enjoy increased traffic from this service in the booming digital photo market.**

# FEATURES OF SNAPSHOT

Renowned Carl Zeiss lens for sharp images

Simple touch screen interface on a 17" touch-screen

Decorate photo with LAI Games' exclusive stylus. Great for personalized graffiti.

Huge capacity dye-sublimation printer holds 600pcs of 4"x6" glossy postcards

Print or download photos to mobile phones via Bluetooth connections

# WHAT EVENT ORGANISERS WILL LIKE ABOUT SNAPSHOT?

- **Portability:** It can go easily into a van or through a single leaf door ! It needs just 1 person to transport the unit to the event.
- **Fast Set up Time:** Plug and play – all ready in less than 10 minutes.
- **Fully Automated Operation:** No attendant is required throughout the event.
- **Simple to Use:** Guests can take pictures instantly without any supervision.
- **Creates fun, excitement & unique memories for all occasions.**
- **Keep guests spellbound for hours with limitless photo customization!**
- **A replacement to professional photographer for small informal events.**
- **No Media Tie-in:** This means increased profits! Based on rates from a typical online retailer who charges \$0.16/frame vs. a photo booth competitor who charges \$0.74/frame for the same media. It is almost 70% in savings!
- **Ultimate promotional tool for corporate events:** Option to save all photos to memory stick to commemorate the events or post event marketing.
- **HUGE POTENTIAL RENTAL INCOME:** *Earn up to \$50,000 per annum with just 1 rental per week! Quick R.O.I in just a small space of 0.3sqm (3 sft).*
- **MOST IMPORTANTLY....** *Guests will have a great time; Making the event a memorable one!*

# WHAT WILL GUESTS RAVE ABOUT THESE PHOTO BOOTHS?

- **User Friendly Interface:** So simple that no learning curve is required. Guests can just refer to the instructions on screen and start having fun instantly!
